* This is a next-day re-entry event. A player may play additional Day 1s even if he/she has survived a previous Day 1 with chips. Players may not re-enter during any Day 1 starting flight they have already played, they may only re-enter the tournament on a subsequent Day 1. Players who qualify for Day 2 more than once will restart play on Day 2 with their largest qualifying stack; all other qualifying stacks will be forfeited.

Buy-in is expressed as an amount to the prize pool plus the tournament fee (plus a bounty amount where applicable).

A 3% staff gratuity will be withheld from the gross prize pool of each of these tournaments.
